

BUT THATS JUST THE WAY IT GOES

**Well the rains still pourin' down
And the wind, the wind still blows
I got a great big hole in my heart
But that's just the way it goes**

**Been tore up for far too long
At least thats what some people might say
Yeah, I've been tore up and been tore down
Now I'm clingin' to every night and dreadin' every new day**

**This really ain't no way to be livin'
Chasing paper instead of chasing dreams
I could promise you you'll always be safe
But a promise ain't always what it seems**

**Cause the rains still pourin' down
And the wind, the wind still blows
I got a great big hole in my heart
But that's just the way it goes**

**I'm sorry, I guess I just don't understand
What drives most people or brings them down
I just try to keep on moving and stayin' out of the way
Livin' every day like some rodeo clown**

**I sure don't want to hurt no one
But I don't wanna be nobodys fool
I don't wanna waste my whole life
Following somebody else's rules**

**Cause the rains still pourin' down
And the wind, the wind still blows
I got a great big hole in my heart
But that's just the way it goes**
