

EVERYBODY'S SUFFERIN' EVERYWHERE

**Woke up this morning
Found the river'd overflowed it's banks
Called up my sister, she said
Better drop down on your knees, boy, and give thanks
Everybody's sufferin' everywhere
All we want to do is sell 'em tanks**

**Pray for us Jesus
Seems like everybody's gone insane
Can't see the bleeding
Don't feel no one's pain
Everybody's sufferin' everywhere
All we do is spin the blame**

**It's a green-eyed scary monster
Makes a man want to sell his soul
He keeps talkin' bout freedom
When all he really wants is control
Everybody's sufferin' everywhere
All we do is rock an' roll**

**Laid down last night
But I couldn't get no sleep
Chickenhawks squawking outside my window
Chickenshit's getting way too deep
Everybody's sufferin' everywhere
All we do is slaughter the sheep**

**Pray for us Jesus
Seems like everybody's gone insane
Can't see the bleeding
Don't feel no one's pain
Everybody's sufferin' everywhere
All we do is spin the blame**
