

MEMORY LANE

**The trees are all trimmed and it's getting cold
My knees swellin' up and I'm feelin' old
Been lookin' at pictures of people I miss
Been missin' my Momma and talkin' to Sis**

**I love to stumble down Memory Lane
And I'm going back as soon as I can
I love to stumble down Memory Lane
Bumpin' into people thought I'd never see again
I love to stumble down Memory Lane
And I'm going back as soon as I can**

**Made a deal with the devil, get to live with an angel
But I'm somewhere between heaven and hell
I swear, I love my life, my dog, cats and my wife
But it's the past in which I seem to dwell**

**I love to stumble down Memory Lane
And I'm going back as soon as I can
I love to stumble down Memory Lane
Bumpin' into people thought I'd never see again
I love to stumble down Memory Lane
And I'm going back there soon as I can**

**The trees are all trimmed and it's getting cold
My knees swellin' up and I'm feelin' old
Been lookin' at pictures of people I miss
Been missin' my folks and talkin' to Sis**
