

MOTHERLESS MAN

**Please believe me,
I'm trying to move on
But everytime I'm alone
I find I'm still singing this song**

**I stoke the fire
And I drink the rain
Just like James, I can't believe
I'll never see you again**

**The sun will rise
And waste it's light
My eyes don't care no more
Bring on the night**

**No one will care
If I succeed or fail
No one will come running
When they hear me wail**

**I'm a motherless man
And I'm halfway home
I'm a motherless man
I've been cut to the bone**

**I'm a motherless man
And I'm losing my way
I'm a motherless man
Till my dying day**

**Please believe me,
I'm trying to move on
But everytime I'm alone
I find I'm still singing this song**
