

## **NIRVANA DOG**

**I like to howl at the moon  
I like to lie in the sun  
I get my food on a spoon  
I get my fun on the run**

**I wear a collar with stars  
I got a yard with a pool  
I love riding in cars  
The bitch who owns me is cool**

**I am a Nirvana Dog  
Live in Suburban Nirvana  
I am a Nirvana Dog  
Ain't nuthin' cain't wait till mañana**

**I'll rumage through your garbage  
I'll chew up your new shoes  
Create a casual carnage  
And give my baby the blues**

**I am a Nirvana Dog  
Live in Suburban Nirvana  
I am a Nirvana Dog  
Ain't nuthin' cain't wait till mañana**

**I like to howl at the moon  
I like to lie in the sun  
I get my food on a spoon  
I get my fun on the run**

**I wear a collar with stars  
I got a yard with a pool  
I love riding in cars  
The bitch who owns me is cool**
