

SELAH'S SONG

(Goodbye Dickie)

**I could of done better
But I left a few smiles here and there
I had my share of heartbreaks
But nothing I couldn't bear
Jesus knows it ain't been easy
And now I think it's only fair**

**Lord, Lord, take me home
Lord, Lord, take me home**

**These people don't like me
Well I ain't crazy 'bout them
I'll be packin' up my bags
To a chorus of "amens"
But they still gonna miss me
Every now and again (so)**

**Lord, Lord, take me home
Lord, Lord, take me home**

**It ain't true what they say
About any port in a storm
You know the clouds don't part
Just because you're reborn
Please take my soul
Cause my hearts all worn**

**Lord, Lord, take me home
Lord, Lord, take me home**
