

TETHERED

**I'm only tethered to this world
Held by the gravity of my girl
You know if it were left up to me
I'd float away, silently
But there blows no breeze that will fill my sails
I know to try is to only fail**

**I'm only tethered to this world
Held by the gravity of my girl
My grip is weak and my hands just ache
As I await my next mistake
You know if it were up to me
I'd forget it all and cut us free**

**I'm only tethered to this world
Held by the gravity of my girl
I'm just singer you'll never know by name
Another ringer who never got in the game
I'm only tethered to this world
Held by the gravity of my girl**
