

THE MAN WHO NEVER WAS

**I know I don't deserve you, And I know that you agree
There are so many things you could have done
But you ended up with me**

**I gave you all my love, Seems it's all I had to give
Seems like I've lost my place in this world
Like I've forgotten how to live**

**They say the sun it always rises, Who am I to say they're wrong
All I know is this son's lost his way
And he's been lost for way too long**

**I'm just the man who never was, Yeah I'm just a fantasy
Should have been some kind of hero
But instead I'm only me**

**I'm the man who never was, The acorn, not the tree
The golden boy and favorite son
Who decided not to be**

**I'm sorry I let you down, That never was my plan
Wanted to be your superstar
So you could be my biggest fan**

**Always blinded by imaginary lights, Predestined shining glories
Too wasted to pay my dues
Now I'm down on my knees**

**They say pride goes before a fall, Yeah, I know that story well
I've been fallin' so long now
Gotta look up just to see Hell**

**I'm just the man who never was, Yeah I'm just a fantasy
Should have been some kind of hero
But instead I'm only me**
