

WRECKING BALL

**I'm a wreckin' ball, Rollin' down the hall
Tryin' ta get t'yall before I fall
I'm a wreckin' ball**

**If you only knew, The things I do
You'd be one too, I swear it's true
Cause I'm a wreckin' ball**

**I'm a tired old man, ain't got no plan
Tryin' ta understand, where the time all ran
Cause I'm a tired old man**

**And if you only knew, The things I do
You'd be one too, I swear it's true
Cause I'm a wreckin' ball**

**You got to stumble cool, Don't wanna be no fool
Don't worry 'bout rules, you ain't in high school
You got to stumble cool**

**I'm a wreckin' ball, Rollin' down the hall
Tryin' ta get t'yall before I fall
I'm a wreckin' ball**

**If you only knew, The things I do
Then you'd be one too, I swear that it's true
Cause I'm a wreckin' ball**

**I got to stumble cool, Don't wanna be no fool
I'm a wreckin' ball...
I'm a wreckin' ball...
I'm a wreckin' ball...**
